PUPPY SITTER'S REPORT

Use the back and additional pages to keep a diary of the puppy's visit. Be honest about how the pup did, both in the home and on social outings. Your observations help identify areas of concern as well as highlight the puppy's strengths. Attach the pages to this form and return it to the raiser or email your report to the raiser and copy Carmen. *A sitter's report must be turned in every time a puppy is kept by someone other than its assigned raiser.*
